## Bideford and Manteo In Partnership

Bideford and Manteo are sister cities, connected historically through the 1587 Lost Colony under command of Sir Richard Grenville, Bideford's Lord of the Manor; and more recently through the town twinning.

Manteo, Bideford and their surrounding areas have vibrant arts communities; this is your chance to make contact with your twin via a postcard, handmade in any medium, to reflect in image and words something unique about where you live.

Both towns have seasonal tourism. Historically postcards have been sent as a greeting from overseas. You may create up to 6 handmade original postcards, half of which will be exhibited in your town, the other half in your twin town. You may enter the same postcards, as a limited edition, in both towns or make unique postcards for both galleries.

### Liability, Photography, & Reproduction Rights
