Bideford Bay Creatives are looking for venues for Culture Show, August 2016

Would you like to offer your space as a host venue?

Last year's guide map: <http://www.bbcdevon.org/wp-content/2015/10/070AGM-2015-©BBC.jpg>

If you run a business or have a space in the town centre and would like to be involved in this project as a host venue for some creative work, please email your expression of interest to Dave Green at info@bbcdevon.org or message us on facebook at www.facebook.com/BBCDevon ASAP and by the deadline of 3rd April 2016.

Dave will then contact you to arrange to come and complete a Venue Checklist so that we can discuss in more detail the type of space you are offering and the type and range of creative works and other activities (a workshop or have a go session for instance) you are interested in hosting. The activities are up to you; you do not have to host any of these if you do not wish to.

There will be no cost to you (unless you opt to pay for a small ad on the art trail map) we only need your time, commitment, support and enthusiasm.

Creative practitioners will be selected via a submission process and will be allocated an appropriate venue to suit their work. Once all host venues are identified, we will then match your space to an appropriate artist and their work.

Finally, we are looking for offers of spaces to run project meetings (for free if possible), and also a Project launch. Please indicate if you are willing and able to offer this in your expression of interest.

Many thanks and look forward to working with you!
